MESSAGE

At the outset I thank all the participants for participating in the training on "Management of Social Security Systems" held at PDNASS from 11th to 16th December 2017.

I am sure that all of you must have availed the best of learning opportunities and facilities created by the Academy for the participants.

I hope that the Program has been able to fulfil its objective of giving an all-round insight into the various aspects of Social Security Systems and that the participants have acquired an enriched knowledge and experience which will help in more effective execution of the respective roles back in the country/institution.

I have learned that the participants from various countries/institutions have evinced interest in the training programs of PDNASS, as also in the various software utilities being run by EPFO. I would like to assure that EPFO & its training wing PDNASS would be glad to extend every possible assistance in their social security programs.

I wish you all the best in your future endeavours and convey my best wishes to the social security programs of your country/institution.

15/12/17

(Dr. V.P. Joy)

Central P.F. Commissioner
